CAUTION

PAY no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of Sacramento Directory Co. printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertising or subscriptions.

Why A BUYERS' GUIDE?

It is customary to include a Buyers Guide in the City Directory because:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

☆

THE BUYERS' GUIDE IS A NECESSARY SUPPLEMENT TO THE REGULAR LISTINGS; IT IS GOOD CITY DIRECTORY INFORMATION . . . *EXTENDED*

Do your employers furnish you with the latest edition of the City Directory

?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

OUT OF SIGHT!
OUT OF MIND!
OUT OF BUSINESS!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

THE CITY DIRECTORY IS THE NATURAL MEDIUM FOR KEEPING A BUSINESS OR PRODUCT NAME IN THE SPOTLIGHT. *INSIST ON BEING WELL REPRESENTED IN ITS PAGES.*

Too Late For This Issue?

- Then arrange NOW to have your name properly listed and your business classified and cross indexed in the next edition of your City Directory.
- The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.
- Put "We are listed in the City Directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly listed under all headings in the City Directory that describe its product, is wise.
